About This Game

WHSG is a side scroller shooter, where our hero needs to kill all the enemies that enter in his way, to reach the portal in the end of each level.

When a spacial station explodes by a mechanical failure, some of the members manage to scape using lifesaver capsules. The few survivors finish up landing in planets, considered extremely dangerous, that are located around the explosion location. In control of one of these survivors, you will need to cover some of these planets. Each one with its own particularities and unique enemies.

Make your way to Earth, jumping holes, running and avoiding obstacles and shooting in challenging enemies and bosses.

Another features:

- 5 unique planets to explore;

- Different kinds of enemies;

- Bosses;

- 25 levels to be played.
